Dedication

To the PEOPLE and TOWN of Hale Center we dedicate our 1966 Owl yearbook. During the past year we have been witness of a great and miraculous spirit that has risen from the hearts of everyone. The spirit of the 1965-66 school year has been far better because of the interest and faithfulness shown by you. The indomitable spirit with which you faced utter destruction has been an inspiration to us as a student body.

The yearbook is only a small way we can say "Thank You!" to a truly devoted people who make our town.

So we, the Owl Staff, are proud to dedicate to you the PEOPLE and TOWN of Hale Center, Texas, "The Owl" of 1966.

A black and white photograph of a person's hand resting on a desk with papers. The hand is wearing a dark wristband. The desk is dark, and there are several papers on it, including one with a circular logo. The background is a light-colored wall with a dark door handle visible on the left.

The members of the school board are as pictured: John Trimmier, Ralph Chilton, Davis Cannon, Troy Brown, Mrs. Roney, Wesley Davis, and Swan Pettit.

The Board of Education of the Hale Center Schools helps solve many of the problems which arise in our school system.

This year the school board dealt with many problems, among them was the building of our new South Elementary which was blown away in the tornado last spring.

These fine people take countless hours away from their business to take care of our school. Their dedication and faithfulness means much to each of us.

Mr. John Criner has been superintendent of Hale Center Public Schools for three years. He is highly respected by both the students and the faculty. He received a B.S. in Ed. from Henderson State Teachers College and has done additional graduate work at the University.

Superintendent's Message

"The real answer to happiness lies in the way we live our lives. Life is great fun if we make it so, life is sweet if we make it sweet. The contribution we make to a day's life determines the enjoyment of that day. The key to a life of happiness is your attitude toward the every day problems you face."

Principal J. E. Fannin has served for 17 years as principal of Hale Center High School. Mr. Fannin received his B.A. at Central State College in Edmond, Oklahoma, and his Master's at Texas Tech.

Miss Martha McIlwain is tax collector this year. She attended West Texas State University.

Mrs. C. H. Keeton has served for three years as Mr. Criner's secretary. She is the wife of our head coach.

Mr. Gene Tyre, principal of Junior High and North Elementary, is not only a supervisor of the students, but also a friend. He attended Southwest Texas State College; from which he acquired his B. S. and Texas Tech where he received his Master's.

Elementary and Jr. High Principals

Mr. Noal Clemens, principal of South Elementary, attended W. T. S. C. where he acquired his B. B. A. in 1958, and his M. E. in 1962. He has been working in our school system for one and a half years and in that time he has grown to be respected by all for his good work. Post's loss was our gain.

Who knows but what President Earl Hudgins may some day be a bank president or a business man of equal dignity and importance. At any rate our seniors have made their plans and laid the foundations for that all important future. We will hope they have laid a solid foundation for success, rather than the flimsy one of failure. Graduation is at hand and you have worked long and hard for this honor. All of the student body would join with us in wishing you prosperity, success, and happiness.

Then and Now of Seniors '66

Featured in the new Ford Show room while looking over a Mustang are the Junior Officers. They are from left to right:

Carol Alley - - - - -	Secretary
Gary Louthan - - - - -	President
David Woody - - - - -	-Vice President
Billye Sue McClain - - - - -	Historian
Replacing Peggy Klatt but not pictured is	
Viki Turner - - - - -	Treasurer

The Juniors have been a very active group this year. They put on a very successful play "Tom Jones" and worked long and hard on the Junior Senior Banquet. Certainly not the least exciting moment of the year was the fitting for their Senior rings. Though they have enjoyed their Junior year very much, they are looking toward their Senior year with eager anticipation.

Sophomores

Indicative of our intellectual and persevering sophomores is the setting of Hale Center's fast-expanding city library. Officers pictures left to right are:

Darrell Dixon - - - - - President
Harold Bufe - - - - - Vice-President
Marvin Wilson - - - - - Secretary and Treasurer

Always on the move with robust health, active minds, and boundless enthusiasm, symbolic of Sophomores everywhere, is this class of '68. They play hard and work hard as they begin to grow conscious that, just as those in books, their horizons too are ever-widening. The next two years will see them accomplish much as they forge ahead.

Freshmen

Engaging in a typical pastime at the "built from scratch" Dyer drug store are our Freshman Officers pictured from left to right:

Have you noticed the "breath of fresh air" evident in our halls and classrooms this year? Just to look at our lively, energetic, bubbling group of freshmen is to understand the reason. They look as if they might be saying with a twinkle, "Move over upper classmen." They have become a vital part of high school already and are just getting started!

---------	---------------	----

The Hale Center Owls won District by fighting. They sat their goal for the Championship, but before the goal could be reached they had to play for the Bi-District Championship. The Owls met Lorenzo in Plainview to see which one had the makings of a championship team and the Owls were victorious. Every boy on the team could taste the wonderful taste of victory. Since 1956 the Owls had not gone past Bi-District. The Owls and Coach Lockett will remember that game for a long time. It is a good feeling for a coach when he has made it his first year with boys he had never worked with before. Yes, the taste of victory is sweet, and everyone will remember the Owls of 1965-66.

The younger boys were delighted to be recognized at one of the Varsity Games.

Under that worried face, Coach Keeton is really cool and collected.

We wish to express our thanks and deep gratitude to all of the foregoing companies who responded generously to our staff as we solicited ads for our '66 Owl. It is you who make it possible for us to finance our year-book.

We sincerely hope you have a successful business year.
